RE: Certificate of Origin and Quality conformity of PERGO vinyl floorings for Optimum and Premium-collections

To whom it may concern

Unilin Flooring NV, Belgium is the manufacturer of PERGO floor covering elements = Optimum and Premium-collections. I, undersigned, Mr. Jasper De Jaeger, technical services manager, declare hereby that all the vinyl panels, exported by our company are first quality products, manufactured in Wielsbeke, Belgium, in conformity with the Belgian and CEE regulations for public health.

In respect to hygiene and safety of the product, we meet the specifications of EN 14041. All our products are CE marked.

Furthermore, for all these products we have 'technical data sheets' available with PERGO header and edition date.

On behalf of Unilin Flooring, Mr. Jasper De Jaeger, technical services manager

Jasper De Jaeger

A red circular stamp is placed over the signature. The stamp contains the text "UNILIN bvba - Division FLOORING" around the top edge, "Ooigemstraat 3" and "8710 Wielsbeke" in the center, and "CE" at the bottom. A blue ink signature, which appears to read "Jasper De Jaeger", is written over the stamp.
